June 4, 2015

To Whom It May Concern,

I am submitting the Boards, Committees, and Commissions Application for your consideration for a seat on the Contra Costa Local Planning Council and Advisory Council for Early Care and Education (LPC).

I've served on the Council and as a member of the Executive Board from 2010 until 2013 at which time I had to resign because of expanded responsibilities at job with the City of Walnut Creek. In January of 2015 I retired from my position with the City and would like to rejoin the Local Planning Council.

During the time I spent on the Council I was most impressed with the high level of commitment and the advocacy in supporting quality, affordable early learning programs in our county. I would like to continue to work with Ruth and her team in providing support to the early learning community and continue to advocate for children and families in whatever capacity I can.

Thank you for your consideration,

Doug Rowe
